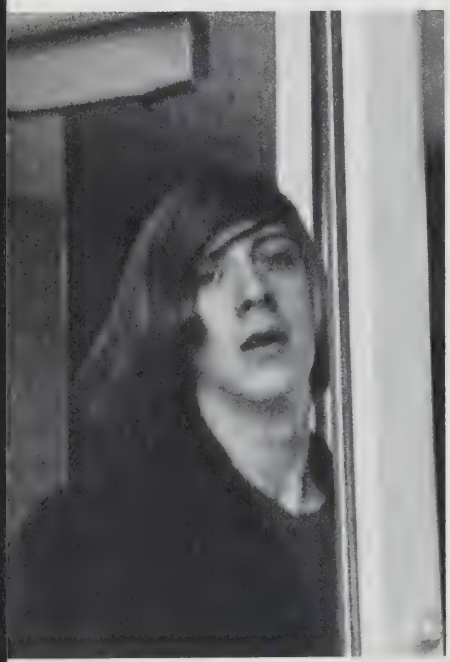
*NEIL RUSSELL*



Neil Russell
Remembering you Forever
Neil —
wherever you are
we will always love you
Although sometimes it hurts to
remember,
for you, we try hard to smile.
Thinking of you laughing again
can help ease the pain.
And on those days when we miss you
most we remember all the good times.
and everything about you —
You took a part of us with you and left us a
part of you.
by Mary Sartori
from all your friends
